

EquiTrust Notification

Please note that **EquiTrust** sent out notifications via email this past week to all active agents to sign an updated agent contract that can be completed online. IF YOU ARE CONTRACTED WITH EQUITRUST, your action is needed.

An updated and newly signed agent contract is **REQUIRED**.

You probably have already received this request via email and it gives you a link that will allow you to view and sign the new contract electronically.

You will then follow the steps to access and review the contract, then sign the contract electronically. When you are finished, you will click "finish" and you can then download or print by clicking "other actions".

Verify your information

You will also need to review and submit the agent information verification form which will show as a pre-populated form. Please review this information. If it needs to be updated, click the checkbox and enter the current information.

If you have any further questions, you can call Agency Administration at EquiTrust at (866) 598-3692
